FPL PLANS POWER OUTAGE SOUTH OF COMMERCIAL

The blocks outlined in red will undergo a planned power outage on Tuesday.

Florida Power & Light will temporarily cut power to 256 customers south of Commercial Boulevard on Tuesday. The streets affected include small sections of Bougainvillea Drive, Sea Grape Drive and North Ocean Drive.

See the map above to learn if you may be affected.

FP&L will cut the power around 2AM on Tuesday, May 21. The outage will last for about 1 hour. The 2AM start time is approximate.

The area impacted is bordered (approximately) by:

- Hibiscus Avenue on the south.
- The alleyway north of BurgerFi on the north.
- The west side of North Ocean Drive on the east.
- The east side of Sea Grape Drive on the west.

Along North Ocean Drive, the area impacted stretches from BurgerFi on the north all the way south to the Chamber of Commerce/Visitors Center.

FPL sent postcards notifying residents and business affected by the planned outage.

If you have any special medical needs that require special assistance, please call Lt. Dan Chavez at the Volunteer Fire Department at 954-640-4252.

If you have questions about the outage, please call FPL at 800-966-4839.
